

**19th International Conference on Innovative Computing,
Information and Control (ICICIC2025)
August 26-29, 2025, Kitakyushu, Japan**

June 21, 2025

Acceptance and Invitation Letter (ICICIC2025-SS18-01)

Dr. Xiaolu Chen
School of Electrical Engineering
Anhui Polytechnic University
Wuhu, P. R. China

Dear Dr. Xiaolu Chen,

It is my great pleasure to inform you that the contribution referenced above has been accepted for oral presentation at the 19th International Conference on Innovative Computing, Information and Control (ICICIC2025), to be held in Kitakyushu, Japan, August 26-29, 2025.

This conference will provide a good opportunity to exchange ideas, present new developments, and discuss future research directions in the areas of computing, information and control theory, and their applications. Also, during the conference, ongoing collaborations and friendship will be further fostered and new co-operations and linkages will be established.

On behalf of the Organization Committee, I warmly invite you to attend the conference, and present your paper at ICICIC2025.

Reference No.: ICICIC2025-SS18-01

Title: An Intelligent Diagnosis Method for New Energy Vehicles Based on Dynamic Association Rules and XGBoost

All information of traveling to Kitakyushu City can be found at
<http://www.icicconference.org/icicic2025/>

Please also feel free to contact me if you have any questions.

Best regards,

Takashi Samatsu
